Letter No 70/44-45 dated 15th January 1945 from the Secretary, Rashtreeya Sikshana Samithi, Bangalore to the Engineer, City Municipality, Bangalore

---

The Rashtreeya Sikshana Samithi is a public Institution started with the main object of running under private management, schools where the best possible instructions can be given to the students At present a Primary and Middle school named 'Rashtreeys Vidyalaya' is being run by the Samithi at Visweswarapuram

The Vidayalaya was started on the day of (Vijayadasami) the 10 h October 1940 It made an humble beginning with six children, now its strength has risen to 350 Throughout its career it has earned the kind support and enthusiastic encouragement not only of high officials of the Government but also of many important public men

The Vidyalaya was recognised by the Department of Public Instruction in 1943 and that year twenty-seven students were sent for the Middle school Examination Twenty one students came out suffessful, five of whom secured first class

Lack of an independent building has still now been a handicap for the Vidyalaya In this connection I am happy to state that the Bangalore City Municipal Council and the Government graciously granted to a spacious site near the Lalbagh west gate The foundation stone of the building was laid by Rajamantrapravina H B Gundappa Gowda, Minister for Health and Local Self Government on the 31st December 1943 Dr Koeningsberger, the Government Architect, has kindly given us a plan for a suitable building and you were kind enough to issue us a license after approving the plan and you were kind enough to issue us a license after approving the plan for the construction of the building, vide your License No 475

P T O

We desire to take this opportunity to express the gratitude of the Samiti for the continued interest evinced by you and for the encouragement so gladly given but for which the posession of a building for the institution would-have remained a dream We beg to state in this connection that we need building materials to commence construction We request that we may be to kindly permitted to use the rocks situated in the Sunkal crematorium for the purpose of obtaining stones for the construction

Thanking you again for all the kindness shown to the institution by you,
